**DOMESTICATED BEDBUGS**

Bedbugs said to be "domesticated and of a peaceable, home-loving disposition" are involved in a case slated for the Montana Supreme Court.

John P. Welsh claims he rented a residence here from Griff Pritchard, but that Mr. Pritchard and his wife moved in bringing the bedbugs with them, and defied Mr. Welsh to put them out.

Mr. Pritchard doesn't deny there were bedbugs around the place but insists they were "domesticated and peaceable" and maintains Mr. Welsh is guilty of contributory negligence by having "incited the bedbugs to violence by means and methods unknown."
